DECLARATION OF CODY SMITH

I, Cody Smith, being first duly sworn, depose and say:

1. I am the Jail Administrator for the Creek County Jail. I have held this position since approximately late 2017/early 2018. I held the position of Assistant Jail Administrator from approximately May 2017 until late 2017/early 2018. In October-November 2016, I believe I held the position of Commission Deputy at the Jail. In this position, I performed a variety of job duties at the Jail, ranging from working the floor as a detention officer, transporting inmates to/from Court or other appointments, working in the booking area processing inmates in and out of the Jail.
2. As the Jail Administrator, I manage the day to day operations of the Jail and I am familiar with the Jail's current record keeping and storage practices. I am familiar with these practices for the period of time since I have been the Assistant Jail Administrator to the present. I am not familiar with these practices prior to becoming the Assistant Jail Administrator.

3. Records show that Brenda Sanders was incarcerated in the Creek County Jail from October 17, 2016 until November 20, 2016. During this time, the Sheriff was John Davis; the Undersheriff was Don Turner; the Jail Administrator was Kelly Birch. None of these individuals have been employed at the Jail or with the Sheriff's office since at least January 1, 2017, when Bret Bowling became Sheriff.

4. From at least 2016 to the present, the Jail contracted with Turn Key for it to provide medical services to inmates in the Jail. Turn Key employees are not Jail or Sheriff's Office employees. The Jail does not maintain personnel files on any Turn Key employee.

5. During Sanders's incarceration, if an inmate had a complaint about his/her incarceration, he/she was to complete an inmate grievance in writing. I do not know if or how the Jail Administrative staff saved or stored inmate grievance forms, prior to the January 2017. I was not part of the Jail Administrative staff in 2016 or earlier. However, I believe it is possible that inmate grievances were placed in boxes, and that these boxes were placed in storage containers which are similar to the PODS containers advertised on TV. Some of the boxes in these storage containers are labeled, some are not. There are dozens, possibly hundreds, of these storage boxes in these storage containers. Each box would have to be moved out of storage, and then gone through page by page to see if possibly there is a grievance from an inmate about Turn Key or Turn Key staff. This would require an enormous amount of man hours to do.

6. Females are not housed with males in the Creek County Jail. Identifying the female inmates incarcerated in the Jail on any given date in October and November 2016 can be done by generating an electronic report. Such report is attached as Exhibit

1 to this Declaration. This report provides the female's name, date of booking, date of release, and address provided to the Jail by inmate.

7. Identifying the total number of inmates incarcerated in the Jail at some point in time between October 17, 2016 and November 20, 2016 can be done by generating an electronic report. Such report is attached as Exhibit 2 to this Declaration.

8. SOMS is the inmate management/incident reporting system used at the Creek County Jail. This is an electronic/digital program. Turn Key employees are not able to create reports in SOMS. I have run a narrative key word search in SOMS for the following terms: Nicholas Groom, Tamara Jackson, Lela Goatley, Kerri Ferris, and Cheryl Green and no reports were identified.

9. I have also run a narrative key word search in SOMS for Brenda Sanders and only two incident reports were identified: Incident Numbers 1601709 and 1601711.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on September 10th, 2020

Cody Smith, Jail Administrator
